(worsener over time)

fractured her spine  
after falling on to the  
concrete floor

**Some of the  
boxes**

that they must be lifted  
by two persons

a warning on the box  
**have printed  
them**

**nearly five**

that they must be lifted by two people

**years of unnecessary legal torment**

lift boxes of liquor  
for 10 hours a day

the warehouse is not properly organised to  
allow for safe lifting  
and there are areas in which the only way  
that boxes can be lifted is by  
bending and twisting

**12 or so**

sent a spy to  
as she went about her daily  
chores  
sent a fake reporter to  
Infiltrate meetings and  
report back to the company  
sending a fake "reporter" to  
spy on a group of workers  
trying to organize  
warehouses  
instructed him to tell  
emergency workers  
that his hip injury was not  
work-related  
found indoor temperatures  
soared  
had ambulances parked  
outside

attributing workplace  
injuries to  
pre-existing conditions or  
treating wounds  
when possible with bandages  
stitches could trigger  
federal reports  
warehouse officials advise  
doctors on how to treat  
injured workers  
paramedics bring people out  
of the warehouse in  
wheelchairs and on  
stretchers  
guards in military-style  
uniforms patrolling hostels  
budget accommodations  
housing the mostly foreign  
workforce
